The 2019 range is superb. New branding, stylish and modernized but with the same specifications that make these vans the #1 choice for discerning buyers

150w Solar, 2 x Batteries 100ah

For over 40 years, Leisureline have been designing and building caravans for the NZ Market.

These NZ built vans have an enviable reputation in the market place for being solid, spacious and built to last.

Country RV have a long relationship with the team at Leisure Line and have worked together to bring you what we believe to be the very best New Zealand built caravans on the market. Our close proximity to the manufacturing base and our own fully equipped RV Service Centre with factory trained staff, ensure our clients receive the very best service both before and after their purchase. Open layouts, large windows, plenty of storage and self containment are corner stones of the Leisure Line philosophy. Add to this a super strong galvanised chassis featuring the latest towing technology and stability control, you have a caravan built on very solid foundations, set to provide years of fun and enjoyment for the whole family.

Country RV strives for accuracy in its advertising, however sometimes errors are made. Please do not rely on the information on this window card until you have spoken to one of our sales team. E & OE
